

ELDERS

TEACHING + GUIDING + SERVING

The Board of Elders is a group whose main function is to promote and support the ministry at Faith Lutheran Church. The board oversees all administration at Faith, and each board member shepherds to a portion of the congregation members, all to ensure that the congregation and staff adhere to the doctrine of the Lutheran Church-Missouri Synod and follow the teachings of the Bible. The Elders also assist the Pastor during services and in all matters pertaining to the spiritual welfare of the congregation.

Respectfully,

Jeff Durocher – Board of Elders Chairman
