## A Life Quote from Lutherans For Life

**March 5 – Lent II** – Father Abraham was justified (Romans 4:2-3); that is, he had a reason for coming into being and continuing to live. Abraham was not justified by works, that is; this reason arose from elsewhere than his own origin, appearance, or ability. Abraham was justified by grace; that is, God's creating, redeeming, and calling defined his identity. The Gospel proclaims the sanctity of life to all Abraham's offspring.

(Romans 4:16)!
