BIBLE READING GUIDE -- The best way to know God is to become acquainted with the full counsel of His written Word. We start a new Bible reading plan tomorrow, April 1st. It will guide you through all 66 books of the Bible in the coming year. The reading plan we're introducing here is organized around what some have called "the storyline of the Bible." It begins with Creation in Genesis 1 and ends with the new creation in Revelation 21-22.

Life Quotes

March 31st *“The disciples and the first century Christians may have felt like they were on the losing side. They had their doubts and fears. Maybe you do, too. They may have lost some earthly things. You may, too. But Jesus takes away the fear and the doubt. You have hope in His resurrection. You have hope even through the trials of life. You have a living hope in your living Lord.” us.”*
