Life Quotes

May 12th “Now we get to receive and enjoy our times and our lives as blessings. And we get to do the same with the gifts and privileges that each of our neighbors embodies, from unborn to elderly and from fertilization to forever. The Lord our God has blessed us for the purpose of life, and He has blessed us for the duration of life. So, let’s partake in the blessing of proclaiming God’s truth and putting Christ’s love into practice, even as the Psalmist himself does!”
