UPDATING MEMBER INFORMATION Starting later in the month I will be updating our Members Directory. I will be making updates to the church database (church360) and changes in how household/personal information is listed. Once I have that complete, I will have the current information listed for each family to review, update and make any changes to. Please bear with me during this process.

Life Quotes

Oct. 13th "To God, all life is sacred because He created it. With their faith, the great multitude will stand before the Lamb on Judgment Day, just as we will. So, to us who follow Jesus, we must continue to uphold the sanctity of life for each person, no matter the nation, language, or their political stance."
